ADDRESS ONLY

St Albans, Aug 24th.  
 I am writing the Mother  
 on family, who have a  
 cottage at this place.  
 Came down with them in  
 their car last summer.  
 Was with my dear boy at  
 Vinland Lake with family  
 in July, a week in Phila, but  
 not to the Seaside, it was too  
 hot when I was there, may  
 go later. Hope you are well  
 and all yours affectionately
